## WANTED IN CARSON CITY

An energetic business woman to solicit and take orders for the MADAME GRISWOLD Patent Skirt Supporting Corsets. These corsets have been extensively advertised and sold by lady canvassers the past few years, which, with their superiority, has created a large demand for them throughout the United States, and any lady who gives her time and energy to canvassing for them can soon build up a permanent and profitable business. They are not sold by merchants, and we give exclusive territory, thereby giving the agent entire control of these superior corsets in the territory assigned her. We have a large number of agents who are making a grand success selling these goods, and we desire such in every town. Address, MADAME GRISWOLD & CO., 923 E-way New York.

We are now in a position to furnish the instruments at figures which will have the effect of placing first-class instruments within the reach of people of small means.

"THE KNABE"

Is now considered the leading instrument of the world and endorsed unqualifiedly by

And scores of other great musicians of the world.

C. D. PEASE & CO.

Are now manufacturing instruments noted for accuracy and clearness of tone, durability and perfect construction.

"THE HARDMAN"

Is acknowledged to be the equal in richness and power of tone to any piano in the market, and is fast cleaving its way to popular

ity. These three styles of piano will be furnished in grand square or upright in prices ranging from \$250 to \$1,500, according to finish.

"THE CHICAGO COTTAGE ORGAN"

In ten different styles, from \$100 up. All instruments warranted. Any of these instruments will be leased by the month or sold on the installment plan.

Surface Indications

What a miser would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter accumulated during the winter months, now makes its presence felt, through Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of oppression, languor, and weariness—often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine; and nothing else is so effective as

Ayer's Sarsaparilla,

which is sufficiently powerful to expel from the system even the taint of Hereditary Scrofula.

The medical profession endorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good."
